

**NASA Exploration Ground Systems (EGS)
FIRST Robotics Grant Commitment Letter
for the 2022-2023 Competition Season**

By signing this Commitment you agree that if your team/school receives a grant you will comply with all grant requirements as specified in NASA Exploration Ground Systems (EGS) FIRST Robotics Grant Opportunities and Requirements for the 2022-2023 Competition Season. Teams not complying with all grant requirements may be required to provide reimbursement of funds applied toward their team during the competition year and will not be considered for future NASA EGS grants.

Note: All grant opportunities are contingent upon the availability of Congressionally appropriated funds.
